DESCRIPTION ET EQUIPEMENTS

The Alfa Romeo 2000 serie (1958-1961) was the flagship of the brand at the time. The cars were available in Berline version (with factory Sedan body), Sprint (coupé with Bertone body) and Spider (convertible with Touring body). In recent years, the Sprint and Spider models have become more popular, which has significantly increased their values. The car presented here for sale is a rare EU version (Origin Germany) that was extensively restored by Classic Car Service Restorations in Belgium. The restoration was completed in July 2017. A complete foto album of the various steps of the restoration comes with the car. Today, it is still in excellent condition. It is featured in metallic gun grey with a red leather interior that was totally renewed. The body was completely restored and (...)
