DESCRIPTION ET EQUIPEMENTS

The car has been bought by a private person and transported the car from the US to Belgium. He carried a lot of love and service to the car, as he is a passionate mechanical. The car is offered with Belgian registration, Alfa Romeo certificate and technical control that is still valid until November 2022. Alfa Romeo Spider was first presented at the car show in Genève in 1986. The Quadrifoglio Verde model received a bigger front spoiler, side skirts and other small changes. A removable hard top was added to this model. A convertible Italian car with a low mileage. The car is powered by an in-line four-cylinder 2.0-liter engine producing 115 hp. Power is sent to the rear-wheel drive via a five-speed manual transmission.
