DESCRIPTION ET EQUIPEMENTS

We believe that the DB7 GT is a real looker. It's sexy, svelte, and sleek. It has everything a British sports car should be. The GT and GTAs are the most powerful, the most aggressive versions of the DB7 range and the rarest because their production only lasted for a few months. In total, Aston Martin built only 191 examples of the DB7 GT with a 6-speed manual transmission, like the one presented here. With a V12, 6.0 l engine developing an impressive 420 horse power, the manually equipped GT was the most powerful model that Aston had ever produced in 2003. This exemplar is featured in the very elegant color combination of British Racing Green with a tan beige interior. It was ordered with optional heated front screen But what makes it a great investment opportunity is its low (...)
