## DESCRIPTION ET EQUIPEMENTS

1 of only 845 Volante's Beautiful color combination Mythical 6.0L V12-engine The Aston Martin DBS is one of the brand's best-known models. Produced between 2007 and 2012, it succeeded the flagship 'Vanquish S'. The DBS was first seen by the general public during its starring role in the world-famous James Bond film 'Casino Royale' in 2006. Filming was done with prototypes since the car was not yet in production, but Aston Martin's words were very clear: 'The DBS is explosive power in evening wear. It has its own unique character to match that of James Bond.' In the subsequent "Quantum of Solace," the DBS returned, this time in a dark gray metallic jacket called "Quantum silver. The 2009 Geneva Motor Show unveiled the (...)
