Puis. fiscal	-	Emission CO2	-

DESCRIPTION ET EQUIPEMENTS

Beautiful color combination 6-cylinder engine With Overdrive ! In the mid-20th century, the union of engineering brilliance and visionary creativity gave rise to Austin-Healey. Their legacy in the world of sports cars has not only reshaped automotive history, both on the road and on the world's racetracks, but has also left an everlasting mark. The iconic 3000 series, with its triumphant presence at renowned venues like Sebring, Le Mans, and Bathurst, stands as a testament to their remarkable journey. By the late 1950s, Austin-Healey had already captured the affections of many, particularly in the American market. While the 1956 100/6 roadster garnered praise, its 2.6-liter engine fell short in comparison to its rivals. Responding to this challenge, the transformative 3000 made (...)
