DESCRIPTION ET EQUIPEMENTS

Cylindrée : 1900 cm3 Nb. Sièges : 5 Nb. Cylindres : 4 Nb. Rapports : 3 Pays d'Origine : België Citroen Traction Avant 1953. This Citroen Traction was built in Belgium in the factory of Forest (Brussels). The factory closed its doors in 1980. Very nice Citroen with two tone paintwork which was restored. The body and floors are in very good and rust free condition. Chrome is also still in nice condition. Interior is covered with covers but the original seats are still in good condition. The previous owner has put a lot of work into the restoration of this car and the results are impressive. Mechanically, the car has just been renewed because the Citroen has been standing for a long time. New master cylinder, brake hoses, brake shoes, wheel brake cylinders around, fuel pump, gasoline (...)
