DESCRIPTION ET EQUIPEMENTS

Ultimate 'Scuderia'-version 1 of only 2000 made Exceptionally well equipped Welcome to the famous world of Ferrari, where passion for racing meets excellence in cars. The Ferrari 430 Scuderia was first unveiled in 2007. The car was co-developed by Michael Schumacher and is designed to compete with the best in its class. The Scuderia is not actually an F430 at all, it is not what the Challenge Stradale was to the 360 Modena: it is a totally new car. Everything is based on the familiar Scuderia ethos: less weight and more power. Through copious use of carbon fiber, larger but lighter carbon-ceramic brakes and lighter rims, the car has lost 100kg. Furthermore, power has been boosted and gearbox shift time halved. Our Ferrari was delivered new in 2009, the last year of (...)
