DESCRIPTION ET EQUIPEMENTS

Special Kellison J4 Racing 1958 chassis K 58540012. James Kellison was born the 5 November 1932, a combat helicopter flying in the army, always passionate about cars around 1950, a crazy idea crossed his mind "to build his own racing car" He wants to compete with the Porsche, Ferrari and Alfa of the time. He took a pencil and paper and started designing a racing car. He spent several years perfecting the design, finding materials and imagining ways to implement it. He built some models, to learn how to build them. So in 1957, seven years later, Kellison Engineering was born and officially presented the Kellison J4, A Fiberglass Kit Car Offered in Coupe and Convertible Body This is the story of one of the designer's first and most important cars to come. Our Kellison J4-R is one of the (...)
