DESCRIPTION ET EQUIPEMENTS

This car is a rolling chassis project. A good-looking car that needs some attention to make it enjoyable on the road. This project was abandoned during the restoration. The chassis has already been restored, the four-cylinder engine has been rebuilt. The Boneschi company was founded in 1919 by Giovanni Boneschi and was based in Cambiagio, near a little airport. Initially, Boneschi focussed to luxury cars, but without much success. It was only in 1922 with the launch of the innovative Lancia Lambda, that things began to change. Enrico Minetti, a Lancia commercial agent in Milan and later branch manager, proposed to Boneschi to realize his plan: selling a Lancia characterized with custom coachwork to a high-class customer. Boneschi became interested and soon began producing a limited set (...)
