## DESCRIPTION ET EQUIPEMENTS

Maserati 4200 Trofeo /2003 Clear history In 1998, Maserati presented its new sports coupe: 3200 GT, created by the Italdesign style office of Giogetto Giugiaro to which the trident brand had already entrusted the design of the Ghibli, Bora and Merak models. The 3200 GT is the first model to be fully studied and developed after the takeover of the manufacturer by the Fiat Group. This is the first Maserati to receive a Ferrari engine, it inherits the volcanic 4244cc V8 of the Modena developing 390 horsepower, also installed a year earlier on the Maserati Spyder. The car is going to be a dazzling success. To mark the occasion, Maserati decided to relaunch competition with a much more refined and developed model to take part in the famous 24 Hours of Daytona. This authentic Gt of (...)
