### DESCRIPTION ET EQUIPEMENTS

This two-seater coupe is powered by 4200 cc dual overhead cam V8 engine producing 255 hp at 6,000 rpm and 260 lb-ft of torque at 3,200 rpm. A five-speed manual transmission completed the powertrain to the rear-wheel drive. A truly unique car that has been made by Italian coach builder Autotecnica del Lario (ATL) is the Maserati 330. Painted in distinctive racing green, the body is a classic throwback to the Maserati racers of the 1950's and 60's. The car has a beautiful patina and styling.
