DESCRIPTION ET EQUIPEMENTS

Morris Minor 1000 Traveller First registration 15.05.1959 948cc - 4 Cylinders - 57 HP Delivered new by Morris Garage, Oxford 4-speed manual transmission - FWD Original British Motor Industry Heritage Trust Frilford grey with red leather seats Currently in Dutch registration Last maintenance 02.12.2022 Story The Minor was the first brainchild of Sir Alec Issigonis, who would revolutionize small cars with his Mini Minor of 1959. But the Minor was equally revolutionary when it was developed in 1943, in the darkest days of WWII. It was built of unit construction, where the body itself was stressed in order to save weight and add strength. Five years later (after being widened four inches at the last minute), the Minor was launched at London's 1948 Earls Court Motor Show, and it drew crowds (...)
