DESCRIPTION ET EQUIPEMENTS

O.S.C.A (Officine Specializzate Costruzioni Automobili) was an Italian car brand that was established by the brothers of Maserati in 1947. The brothers sold their company Maserati to start O.S.C.A to build racecars, which was their main goal from the beginning. The first car they build was the O.S.C.A MT4. It was a light, open sports car with 4 cylinders. Engine is a 1500cc engine with Weber carburetor manufactured by O.S.C.A. Car is fully documented and is in possession of FIA papers. This beautiful O.S.C.A MT4 is finished in red over a blue interior. The car has been fully restored in 2016 and is like new. A list of previous ownership is available. Car has participated at some races such as Coppa D'oro Deue Dolomiti, Targa Florio Storion and La Sicilia Dei Florio droven by (...)
