DESCRIPTION ET EQUIPEMENTS

Matching numbers Extensive history Beautiful color combination During the turbulent war years, amidst the chaos, Ferdinand "Ferry" Porsche and his dedicated team began developing the legendary Porsche 356. The 356 was produced in four different series: the original "pre-A," followed by the 356 A, 356 B and finally the 356 C. In terms of appearance, the C series showed little difference from the B series. Our beautiful Porsche 356 found her way to a proud owner on March 5, 1964 and to this day features the original (matching numbers) 616/15 type engine. The gorgeous Ivory paint color makes a delightful combination with the red leather interior and absolutely completes the picture of this coupe. At the first look at the interior, it quickly becomes clear that the (...)
